Minutes approved with no dissent.

Agenda Items

1. Diamond Celebration: Very well attended. Maybe provide a map for parents and others new to campus.
2. SBAC and MAP testing: Unique schedule this year. Some confusion over class periods and lunches. Subject area teachers administering tests works well. Two-hour long class periods are challenging for non-testers.
3. Hiring update: All positions are filled, with exception of a 7/8 ELA position.
4. 8th grade semi-formal: Working on it. April 30th. Chaperones needed.
5. 8th grade awards: Working on it. May 18th.
6. 8th grade parade: Other schools do an eighth grade parade. Do we have the resources and staff? Potential clap-out for eighth graders? Consider logistics, maturity level, etc. No field day. Maybe a controlled lunch and show the slideshow to eighth graders.
7. Summer Acceleration: Ms. Serna is developing a plan. CCSD is only paying teacher salaries. K.O. can potentially cover program costs.
