**Core Courses:** Students will be placed in their core courses (English, Math, Science) based on a variety of data, such as teacher recommendations, formative and summative assessment levels, standardized test scores, and current grades.

**Elective Courses:** In the table below, select four (4) elective program choices. Rank choices 1-4 based on your preference. Students will be placed in Beginning, Intermediate, Advanced, and/or Specialty level of their desired elective based on teacher recommendations. For some programs, additional information may be required. If there is no teacher recommendation, students will be placed in the Beginning level of the course unless the s/he previously passed the Beginning course with a "C" or better.
