Dear Parent or Guardian:

We have prepared for a digital learning environment for your student. We've partnered with Cox to connect students that do not have an internet connection at home through their Connect2Compete program. This program will ensure your student continues learning at home.

The Cox Connect2Compete program is available to families who:

- have at least one child that attends K.O. Knudson
- participate in one of these government subsidy programs: The National School Lunch Program, SNAP, TANF or Public Housing
- are not a current Cox customer

If your household meets these criteria, you may qualify for discounted home internet service from Cox for just \$9.95 per month. For a limited time for eligible customers, Cox is offering the first month free and access to a free month of remote helpdesk support to provide peace of mind and easy access to new technology.

There are no deposits or annual contracts with Connect2Compete, and installation with in-home wifi equipment is included at no additional charge. Cox is also working with PCs for People to provide discounted, refurbished computers for eligible families.

Find out if you qualify by visiting www.cox.com/c2c, or email connectnow@cox.com.

Sincerely,

Lezlie Koepf

Estimado Padre o Guardianes:

Nos hemos preparado para un entorno de aprendizaje digital para su estudiante. Nos hemos asociado con Cox para conectar a los estudiantes que no tienen conexión a Internet en casa a través de su programa Connect2Compete. Este programa asegurará que su estudiante continúe aprendiendo en casa.

El programa Cox Connect2Compete está disponible para familias que:

- tienen al menos un hijo que asista a K.O. Knudson
- participa en uno de estos programas de subsidio del gobierno: el Programa Nacional de Almuerzos Escolares, SNAP, TANF o Vivienda Pública
- no son clientes actuales de Cox

Si su hogar cumple con estos criterios, puede calificar para el servicio de Internet con descuento de Cox por solo \$ 9.95 por mes. Por un tiempo limitado para los clientes elegibles, Cox ofrece el primer mes gratis y acceso a un mes gratuito de soporte técnico remoto para brindar tranquilidad y fácil acceso a la nueva tecnología.

No hay depósitos ni contratos anuales con Connect2Compete, y la instalación con equipos wifi en el hogar se incluye sin cargo adicional. Cox también está trabajando con PC for People para proporcionar computadoras renovadas y con descuento para familias elegibles.

Averigüe si califica visitando www.cox.com/c2c, o envíe un correo electrónico a connectnow@cox.com.

Sinceramente,

Lezlie Koepf
